# Mobility Academic Year 2023/24

**Anna Rio**

Vice-dean for International Relations

16-11-2022

# Motivation

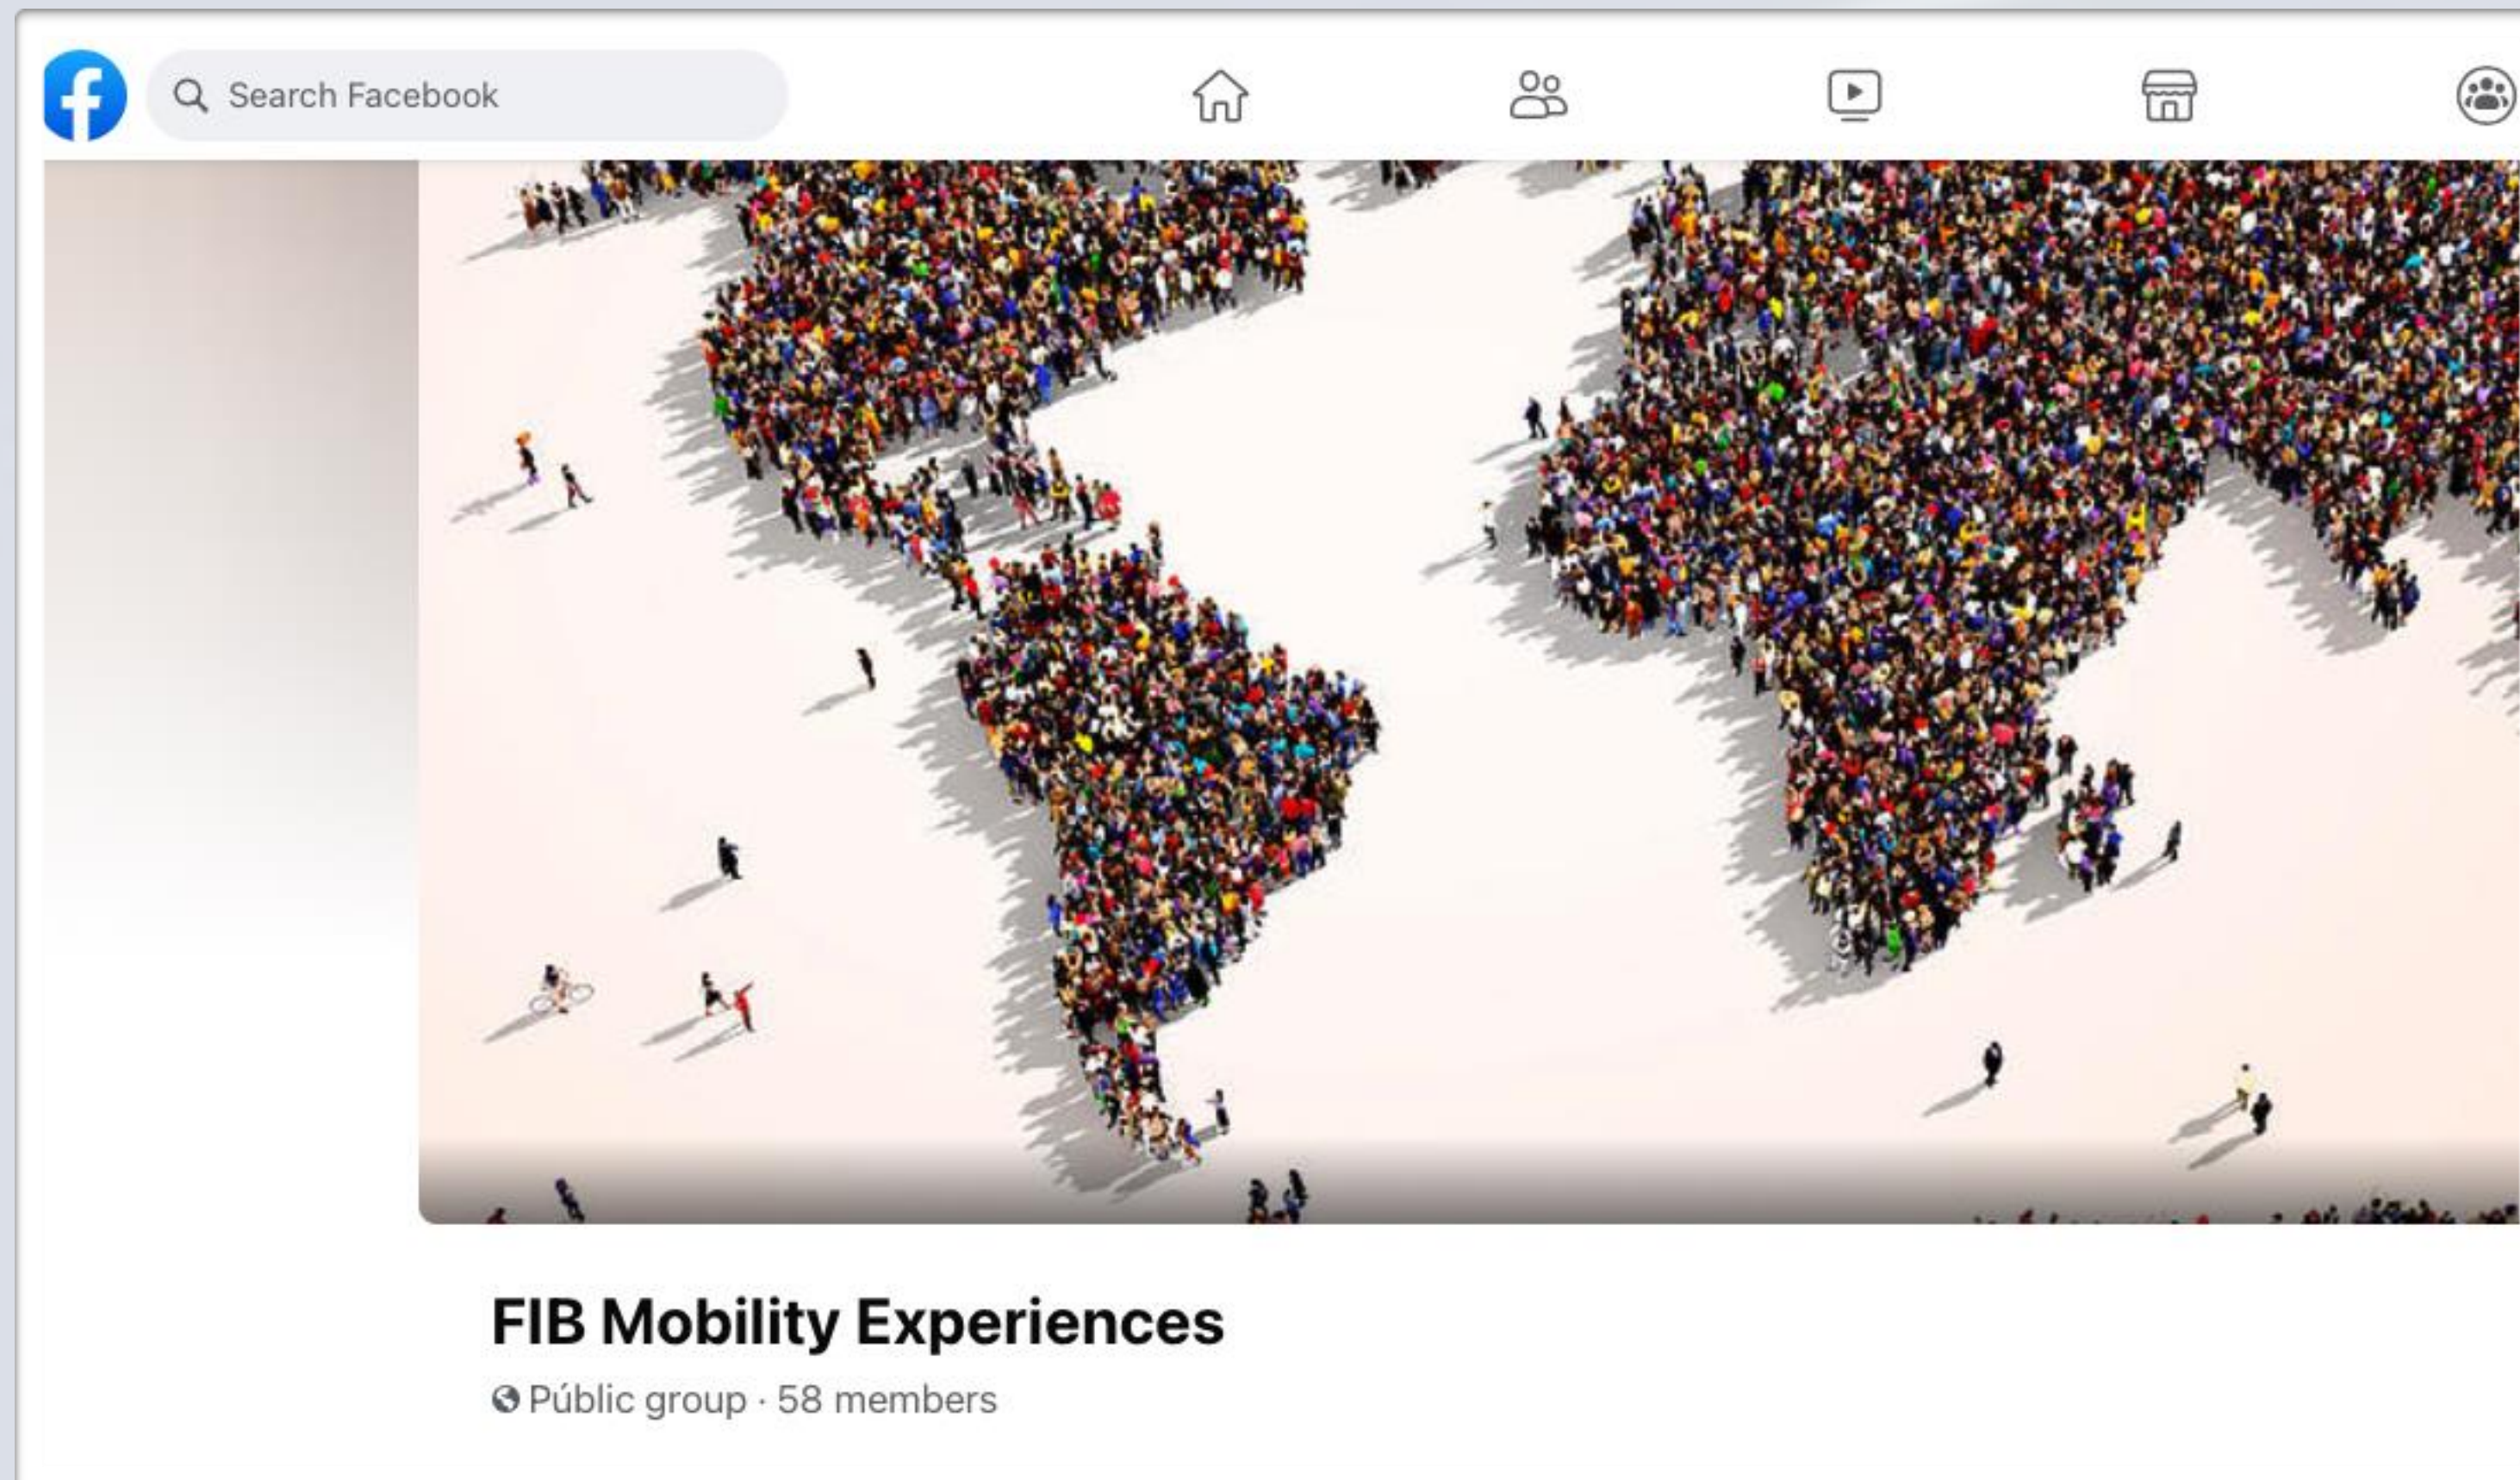

- Acquire new knowledge
- Improve your CV
- Improve competencies in a third language
- Get to know other cultures, lifestyles and people
- Gain personal experience
- Gain working experience or well-valued experiences at work
- ...

# Motivation

Why

- **Latin America**
- **Asia**
- **Mediterranean Europe**
- **Northern Europe**
- **Central Europe**
- **North America**

 **Mobility experiences**  
Check the experiences of previous mobility students.

<https://www.fib.upc.edu/en/mobility/outgoing>

# Requirements

- GEI GCED MEI MIRI MAI (MDS)
- Some mobilities (double degrees) are specific for every degree.
- All the compulsory subjects must be passed before leaving  
(except TAED2 for GCED and mobility Q1)
- It is NOT allowed to take distance subject while taking a mobility programme.
- Some agreements require minimum grades, good academic performance.

# Requirements

- **Double degrees:** Subject plan to course at home and receiving.  
**Could be paid at receiving institution**
- **Internship stays:** TRAINSHIP AGREEMENT
- **Academic stays:** Technical subjects can be taken, not necessarily similar to the ones in FIB They are arranged in a LEARNING AGREEMENT with the faculty before leaving.
- Credits must be paid and enrolled at FIB.

- Limits (including TFG/TFM)

Degrees	60 ECTS	4 <sup>th</sup>
Masters 120 ECTS	60 ECTS	2 <sup>nd</sup>
Masters 90 ECTS	30 ECTS	2 <sup>nd</sup>

# Recognition

- **YES**

- Elective credits
- Specialization complementary credits
- TFG-TFM
- Internships
- **GEI-GCED:** Until 3 ECTS for each **mobility semester** and depending on the academic performance

- **NO**

- Subjects already coursed in FIB
- Language and cultural courses
- Subjects that do not appear in the **LEARNING AGREEMENT**

# Procedure

The screenshot shows the FIB Mobility page. At the top left is the UPC logo and the text "UNIVERSITAT POLITÈCNICA DE CATALUNYA BARCELONATECH Facultat d'Informàtica de Barcelona". To the right is the "FIB" logo and a navigation menu with "Studies", "Mobility", "Research", "Companies", and "The FIB". Below the navigation is a black header with "Mobility" and a breadcrumb "Home » Mobility". The main content area has a large "MOVING" heading, a paragraph about mobility programs, and a quote: "Personal experiences that will allow you to stay in foreign universities and intern at businesses worldwide." Below this are four blue circular icons with labels: "Incoming" (with a right-pointing arrow), "Outgoing" (with a left-pointing arrow), "Double degrees" (with a graduation cap), and "International Partnerships" (with a handshake).

# Procedure

**UNIVERSITAT POLITÈCNICA DE CATALUNYA BARCELONATECH** **FIB** Facultat d'Informàtica de Barcelona

Studies **Mobility** Research Companies The FIB

The Facultat d'Informàtica de Barcelona has established several agreements with universities and institutions from all around the globe. They allow students to study at a foreign university, do their degree's final thesis or carry out a double degree.

- Study abroad**  
There are several mobility programs such as Erasmus+, SICUE, Latin America, Vulcanus... Check everything you need to know to study in another university
- Internship abroad**  
If you want an international professional experience, check the websites and resources we can provide to find work abroad.
- Double degrees**  
Once all the requirements of the agreement are reached, you will obtain the corresponding titles at FIB and at a university abroad. Check which double degrees we have at FIB.
- Other activities abroad**  
Summer schools, short stays...
- Mobility calendar**  
Open international mobility calls for FIB students
- Information sessions**  
Informative talks about the options, requirements and procedures in mobility
- Mobility grants**  
Some mobility programmes can be financed with a grant. You can also find mobility grant calls without an associate programme.
- Mobility experiences**  
Check the experiences of previous mobility students.

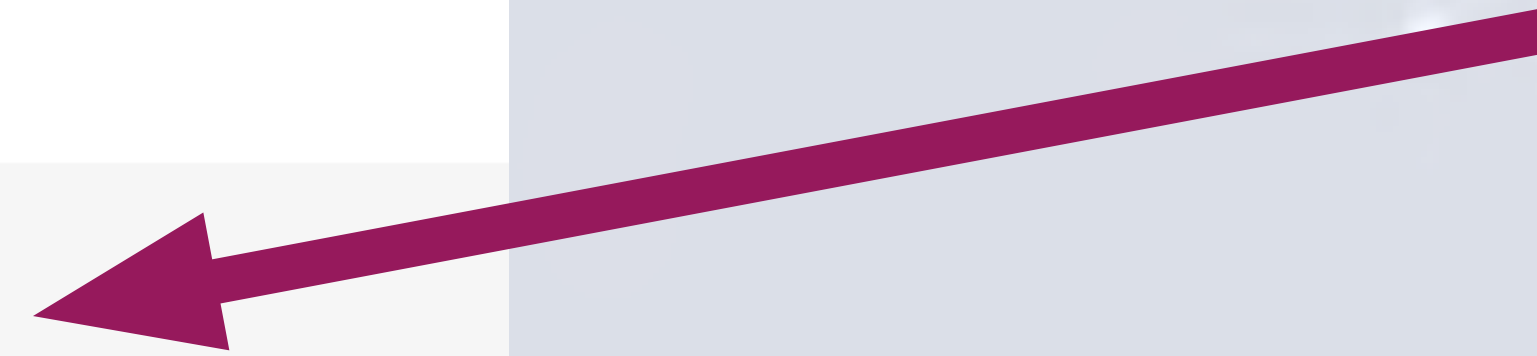

*Upcoming International Mobility Calls for FIB's students*

- ✓ Vulcanus programme 04 Nov 22 - 13 Jan 23
- ! Place application for foreign universities: Erasmus+, Latin America, Russia, Taiwan, China and double degrees 18 Feb 23 - 02 Mar 23

# ACADEMIC STAY: DOUBLE DEGREE

- MIRI Euro Master for HPC
- ISIMA - MEI
- ISIS - MDS
- Padova- MDS

The image is a screenshot of the ISIMA website. At the top left, the logo for 'CLERMONT AUVERGNE INP Isima' is displayed, with 'INP' in a stylized font and 'Isima' in a clean sans-serif font. To the right of the logo, the text 'Public Engineering School in Computer Science' is written. In the top right corner, there are three language options: 'Français', 'English', and 'Intranet', each with a small flag icon. Below the header is a navigation menu with the following items: 'THE SCHOOL', 'ADMISSIONS', 'EDUCATION', 'INTERNATIONAL', 'COMPANY RELATIONS', 'RESEARCH', and 'STUDENT LIFE'. The main content area features a large heading: 'F6 International option – ISIMA Master Double Degree in Computer Science'. Below this heading, there is a breadcrumb trail: 'Education > F6 International option – ISIMA Master Double Degree in Computer Science'. At the bottom left of the screenshot, there is a logo for 'ISIS INGÉNIEURS CASTRES'. To the right of this logo, a text box contains the following information: 'The specialised course in "Informatics for healthcare," over 3 years, leads to the nationally recognised diploma of *engineer*. It can be attained through either initial education or as an apprenticeship.'

# PIU

## Programa de Intercambio Universitario

Qué es PIU

Quiénes pueden participar

Preguntas frecuentes

Universidades

Programas

### Revisa la oferta de intercambios 2022

Tipo de intercambio	Ctd. de programas
Presencial	943
Virtual	34

### Quiénes pueden participar

Estudiantes de pre y posgrado pertenecientes a alguna de las universidades de la red Cinda que hayan sido seleccionados por su universidad para postular a alguno de los programas o actividades ofrecidos por el PIU.

Docentes, investigadores y gestores pertenecientes a alguna de las universidades de la red CINDA que cuenten con el respaldo de su universidad para postular y que cumplan con los requisitos específicos del intercambio al que postulan.

Toda universidad de la red Cinda que tenga oferta de intercambios en sus diferentes modalidades pueden participar del PIU. Las universidades que en la actualidad tienen programas disponibles son [las siguientes](#).

### Cómo postular

Si eres estudiante, académico o gestor de alguna de las universidades miembros de CINDA puedes vivir la experiencia del intercambio universitario ofrecido por el PIU.

Debes seguir los pasos a continuación:

1. Revisa los programas, cursos, pasantías y otras actividades ofrecidas dentro del sitio y la información detallada sobre requisitos, plazos de postulación e inicio del intercambio.
2. Una vez que identifiques el programa o actividad de tu interés, ponte en contacto con el Coordinador PIU de tu Universidad, para gestionar tu postulación.

Mobility Projects and Graduate Study in Engineering  
In partnership with the Balsells Program

INFORMATION SESSION  
WEDNESDAY 23 NOVEMBER, 2022  
12:00 h Presentation, Sala D'Actes, C2, ETSECCPB  
Universitat Politècnica de Catalunya | North

If you want to carry out your Bachelor or Master Thesis at the University of Colorado Boulder, you may attend the presentation session of the Mobility Projects and Graduate Study in Engineering in partnership with the Balsells Program for the 2022-2023 academic year.

**Date:** 23 November 2022

**Time:** 12 pm

**Place:** *Sala d'Actes*, C2 building, ETSECCPB, Campus Nord UPC

# ACADEMIC STAY: USA

## Georgia Tech

### Georgia Institute of Technology

📍 Georgia Institute of Technology, Atlanta United States

QS World University Rankings

🏆 88

Status	Research Output	Student/Faculty Ratio	International Students	Size	Total Faculty
Public	Very High	19	5,675	L	1,267

- Georgia Institute of Technology, Atlanta (QS Global World Ranking #80)
  - Master students (2 places).
  - Paid stay in a laboratory / research group of the College of Computer Sciences.
  - To do the TFM, 1 semester.
  - TOEFL (79 IBT, 550 PBT).
  - Good academic record.

# ACADEMIC STAY: UNITECH

## UNITECH

The UNITECH mobility programme is designed for high-achieving engineering students who also have the ability to lead, be proactive, communicate effectively, work in a team and other cross-disciplinary competencies. The programme is carried out within the framework of the UNITECH network

### Opened in the following degrees:

Bachelor Degree in Data Science and Engineering

Bachelor Degree in Informatics Engineering

Master in Artificial Intelligence

Master in Informatics Engineering

Master in Innovation and Research in Informatics

### Has scholarship:

Yes

Technical subjects  
+  
Business Economics

- **Exclusive** programme for institutions associated to the UNITECH network. High prestige in Europe → Very competitive.
- The student does an **academic stay** with recognition of credits, and an **internship**.
- Duration: 1 year at the least.
- Requirements
  - Bachelor student (4th year) or MEI and MIRI student (2nd year)
  - Good academic performance.
  - Good English level (certificate) and a leadership profile, pro activity...

# ACADEMIC STAY: ERASMUS

## Studies and internships

### New agreements: offer update

- Duration of the stay:
  - **Studies: 3 to 12 months** for each formative stage (Bachelor, Master, Doctorate).
  - **Internship: 2 to 12 months**, for each stage as well.
  - In total, maximum of 12 months per stage.
- Be careful with:
  - **Academic calendar:** FIB exams might overlap with the beginning of the course (specially in the second semester).
  - **Language Certificate** required by the host university.
  - **Minimum of enrolled credits ECTS** fixed by the host university.

**INTERNSHIPS**

# INTERNSHIPS

## Vulcanus

The Vulcanus in Japan programme offers industrial placements in companies located in Japan to students of some European universities. Participants will have the opportunity to learn the advanced technologies used by Japanese companies, as well as their awareness of Japanese culture and knowledge of their language.

### Opened in the following degrees:

Bachelor Degree in Data Science and Engineering

Bachelor Degree in Informatics Engineering

Master in Artificial Intelligence

Master in Informatics Engineering

Master in Innovation and Research in Informatics

### Has scholarship:

Yes

**EU-Japan Centre**  
for Industrial Cooperation

### SALSA'M, the UPC's buddy programme

Over 4,000 people have participated in the SALSA'M programme since 2015.

The SALSA'M mentoring programme connects local students with international students who are on an academic stay at the UPC.

The programme's activities include language exchange, cultural visits, guided tours, and academic support and induction activities.

The following schools participate in the programme: EEABB, EEBE, ETSAB, ETSETB, ETSECCPB, FIB, ESEIAAT, FOOT and EETAC.

**International  
students

## Language and Terminology Service

### Idiomes Unite!

unite!

University Network for Innovation,  
Technology and Engineering

**El Servei de Llengües i Terminologia de la UPC** forma part del grup de treball Multilingüisme i Multiculturalitat de l'Unite! . Amb la resta d'universitats europees que participen a la xarxa, impulsem projectes per ajudar l'estudiantat a millorar la competència lingüística i intercultural.

#### **Cursos virtuals d'idiomes i d'habilitats comunicatives**

Oferim cursos virtuals per aprendre idiomes, desenvolupar habilitats comunicatives i assolir competències interculturals.

#### **Tàndems lingüístics Unite! a la UPC**

Organitzem un programa de tàndems lingüístics que connecta l'estudiantat de la UPC amb l'estudiantat d'altres universitats Unite! per a un intercanvi de llengües.

#### **Competència intercultural**

Creem eines i recursos per augmentar la consciència de l'estudiantat sobre la importància del multilingüisme i la interculturalitat al món actual.

Totes aquestes activitats estan impulsades pel Centre de Multilingüisme i Multiculturalitat de Unite!, una col·laboració dels serveis lingüístics de les universitats participants.

# CURRICULAR INTERNSHIPS

FIB

## Curricular internships with academic recognition:

- Sign a **Traineeship agreement** (student, company, FIB) + insurance.
- Usual Traineeship agreement content:
  - Amount of hours/workday:
    - Each degree has its own regulations.
    - [GEI] Bachelor thesis (18 ECTS credits): minimum 375 hours (+ GEP).
    - [GEI] Bachelor thesis + Internship (30 ECTS credits): minimum 735 hours.
    - [GCED] Internship (12 ECTS credits): about 360 hours.
    - [GCED] Bachelor thesis (18 ECTS credits): minimum 540 hours.
    - 30 ECTS credits Master thesis: minimum 735 hours.
    - 18 ECTS credits Master thesis: minimum 430 hours.
  - Supervisor (if applicable), work to carry out (TFG/TFM), salary, ....

- The whole administrative process must be done at the FIB:
  - Internships linked to [TFG / TFM]
    - Tutor, registration, enrolment (modality D),
    - Specific procedures by degree:
      - [GEI] GEP course
      - [GCED] achieve milestones
    - Defense at FIB (keep in mind the defenses calendar).
  - Internships NOT linked to [TFG / TFM]
    - [GCED] Registration

# NOT CURRICULAR INTERNSHIPS

## Internship WITHOUT academic recognition:

- Sign a **Traineeship agreement** (student, company, FIB) + insurance.
- During the stay, the enrolment only includes fee payment.

# FIB

## BOTH MODALITIES

- Economic support
  - Company's salary.
  - **Possibility to ask for an Erasmus+ grant for internships if it is in an European country.**
- The offers will be published in FIB's website, in the Labour Exchange ...
- Looking for a Company by yourself is highly recommended.

# LET'S GET STARTED...

## PROCEDURE

1. Check the partner universities list and identify which ones you have interest in (**FIB website**).
  - Language requirements, subjects offer, deadlines, academic calendar, accommodation, procedures...
2. Choose up to 10 options (**e-Secretaria**).
  - In observacions you will find relevant information, in case there is: possibility to carry out the bachelor's/master's thesis, language certificate demand...

## LET'S GET STARTED...

5. Once you accept your place, the adventure shall begin:
- a) Check FIB website:  
<https://www.fib.upc.edu/en/mobility/outgoing/study-abroad/you-leave>
  - b) Follow the host universitie's procedures. Be quite careful with the deadlines.
  - c) **Read** the e-mails you receive from [fib.rel.int@upc.edu](mailto:fib.rel.int@upc.edu) !!!
  - d) Request for the grants, whenever it is time for it.
  - e) Hand in all the required documents in the e-secretaria.

BEFORE LEAVING

## LET'S GET STARTED...

3. You will be assigned (or not) one of the options, it will depend on:
  - a. Position in the list of applicants (transcript grade weighted with the average grade of your degree, rate of return-  $\alpha$ ).
  - b. The assignation of those before you.
  - c. The personal list of requests.
4. You will be informed about the decision and you must quickly accept or decline your place via **e-Secretaria**.
